# Faculty Association: Business Technology Management

## BUSINESS TECHNOLOGY MANAGEMENT

The BTMSA is the faculty association representing Business Technology Management students, and it seeks to collaborate with organizations, leaders, and alumni in business and technology to equip BTM students with professional and academic experiences to ensure their future success in the industry. This is done while providing a fun and supportive social environment where BTM students will be able to meet and connect with other BTM students across all years, thus helping to strengthen and grow the cohesive nature of the program. The BTMSA hosts professional networking events, fun social nights, an annual gala, and more!
